Check out which restaurants  
will be opening and closing in  
2025 in the Twin Cities

## FOUNDATION FIRST:

### THE BENSON-ORTH NEWSLETTER

Benson-Orth General Contractors team is grateful for the opportunity to support the community in meaningful ways. This winter, we were honored to attend the Teen Challenge Winter Concert and gather donations through our winter party to provide essentials like diapers, crib sheets, bibs, and wipes for children and parents. We feel privileged to have played a small part in completing the Rockbridge Teen Challenge project, which focuses on counseling and mental health. Being involved in these efforts is something we deeply value, and we are humbled to contribute to the incredible work being done for youth and families.
